

Legends Never Die

ft. Against The Current

Oh oh oh_ Oh oh oh_

Le-gends ne-ver die_____ when the world is cal - lin' you

Can you hear them scream - ing out your name?

Le-gends nev - er die_____ they be-come a part of you

Eve-ry time you bleed for reach - ing great - ness

re-lent-less you sur - vive Oh_____ You ne-ver lose hope when eve-ry-thing's cold

and the fight-ting's near Oh_____ It's deep in their bones They'll run in-to smoke

when the fi - re's near Oh pick your - self up - cause

Le-gends ne - ver die_____ when the world is cal - lin' you

Can you hear them scream - in' out your name?

Le-gends ne - ver die_____ they be-come a part - of you

Every time you bleed for__ reach-ing great - ness Le-gends ne-ver die
