I'm go-ing un-der and this time I fear there's no one to save me

This all or noth-ing real-ly got a way of driv-ing me cra - zy

I need some-bod-y to hea - l Some-bod-y to kno-w

Some-bod - y to ha - ve Some-bod - y to ho - ld

It's eas - y to sa - y But it's nev - er the sa-me

I guess I kind - a liked the way you numbed all the pai - n

Now the day bleeds

In - to night fall

And you're not he - re

To get me through it all

I let my guard dow - n

And then you pulled the ru - g

I was get-ting kind-a used to be-ing some-one you lo - ved
